

FOR A JUST SOCIETY

The Association for Socio-Economic Advancement of Bangladesh (ASEAB) is a non-government, non-political, and voluntary development organization founded and run by a group of committed professionals, social workers, and multi-disciplinary experts. For over 30 years, ASEAB has been contributing to uplifting the miseries of the poor and the needy communities facing multi-faceted social deprivation and long-held injustices.

Through various projects, the organization aims at ending poverty, and improving the lives and prospects of the destitute across Bangladesh. The head office of ASEAB is situated in the village of Khayerbagan, 10 kilometers from the district headquarters of Pabna, located in the catchment of the great river Padma.

In the last three decades, ASEAB played a significant role in transforming the lives of the people of Char areas of Pabna, where acute poverty, starvation, illiteracy, floods, river erosion, habitat loss, and a decline in cultivable land have been prevalent. In this context, ASEAB commits its resources at relieving individuals from the grip of enduring poverty and hunger. Since its inception ASEAB have covered more than 10 of 17 SDGs to mitigate social injustice, deprivation, and inequality across almost all the divisions of Bangladesh through different initiatives. As of 2023, ASEAB has served about a million beneficiaries and their families.

ASEAB has been working and affiliated with different national and international organizations and networks since its inception. The organization obtained registration with the NGO Affairs Bureau in 1995, the Trust Act in 2002, the Microcredit Regulatory Authority in 2008, and the Joint Stock Company in 2009.

Project Objectives

Access to primary education is a determining factor for creating a sustainable future for the children. It provides the foundation for their intellectual and social development, equipping them with the knowledge and skills required to navigate through life. ASEAB Shiksha Niketon runs with the objective of ensuring affordable proper education facilities and supports accessible for all children located in char area.

Project Activities

ASEAB Shiksha Niketon is a school dedicated to offer free or low cost education for the children of Char area of Pabna. With a team of trained and qualified teachers and under the supervision of ASEAB management, the school offers proper education for the students up to class V. The students are provided with the necessary education materials like book, notebook, pen, pencil etc. The project also arranges nutritious food for the children on a regular basis. As ASEAB believes in a holistic development approach, the families are also facilitated with some necessary supports on need basis in collaboration with ASEAB Child Welfare Project. The school also arranges guardian meetings, timely assessment tests, annual recreational events, cultural events, sports and extracurricular activities for the children.
